Director's Corner:

Help Celebrate our Teachers and join us at the Appreciation Service 10:00am Sunday Service at CPC on Sunday, April 28th. Whether this is your home Church or not, we hope to see you there. The Pastors do an amazing job dedicating this Sunday to show our Teachers how much their time, hard work and dedication means to the children in their care We are excited to have the Book Fair open immediately following the Service to invite you, and all in attendance, to view the adorable transformation of our downstairs space complete with the children's artwork. This year's theme is "Enchanted Forest"! It will be a lot of fun. Purchases can be made that day as well as on Monday and Tuesday April 29th and April 30th. Books can also be purchased for your child's class as well as for the CJ Flintosh Library! This year we have the added excitement of a guest author, Laura Sassi who will be here to read her new books to the children on Monday and Tuesday from 12:15pm-1:15pm. Plan on coming to the book fair during that time! Order forms have been sent home, and will also be emailed to pre-order her book that she will sign for you. We truly appreciate your support!

School News:

Earth Day may be the end of April but why just be one day!

Bags to Benches – with thanks to our own Sharon Dougherty (one of our Kindergarten teachers, we are partnering with the CPC Congregation and the fellow Summit Churches to collect plastic bags. This effort ultimately is an important environmental project with the added benefit of earning a bench made from recycled plastics for outside. The flyers went home last week and the collection has begun. The Kindergarten children are hosting this project with being tasks to collect from the bins and weigh what is collected as we then get them to the designated collection site. You can send your acceptable plastics through the car line.

Crayola Markers – in addition we have begun collecting used Crayola markers as they can be sent back and recycled. You can also send them in with your children.

Camp CPC Celebrate the Start of Summer with us! The registration form for the CPC camp week of June 10th – 14th is being sent home with your children shortly and will also be emailed to all our families. It is such a fun week! Space is limited, and it does fill quickly so please return your form as soon as possible. An email will be sent out once we are at full capacity.

CPC VBS camp week – Pastor Deborah invites all our school families to the Preschool VBS camp which runs June 18th-21st. Be looking for this great opportunity with information to be sent to you next week.

Spring Greetings from the CPC WNS&K Parents' Organization!

Spring has officially commenced, and we are so looking forward to the many events to unfold as the days become longer with warm, summer nights around the corner. We hope those who attended Dr. Elizabeth Fagan, MD's discussion on medical issues plaguing our youth and the skills to assuage anxious parents were left with impactful lessons and reflections.

If you are interested to find out more about your Parents' Organization, or become a member or volunteer for future events, go to our webpage at <http://cpc-school.org> and click on the Parents' Organization link in the top menu.

First, we'd like to extend IMMENSE thank yous to both **Natalie Lind** and **Courtney Reed** for co-chairing the Indigo Gymnastics Event. The turnout was fantastic, and the kids all had a blast letting their energy out at their state-of-the-art gymnasium. We so appreciate the support of our CPC families and the effort extended by each of these committee heads and volunteers to make each event the success that they were. We are most grateful!

UPCOMING EVENTS: (Please look for more information on these in the weekly e-blasts and fliers that come home from school.)
