Director's Corner:

Here we are at the end of our 50th year! October seems so long ago that we celebrated this milestone. It was fun to be with past Directors, teachers and families. My joy of being part of this school is the relationships that I have been so fortunate to have formed with so many past and current families. The year continued with alumni fun. We were treated to having Anna Hollenbaugh, a former CPC student and now a senior in high school who spent a week in the Kindergarten for her Senior Project. We also had guest readers to the Almost 5's and 4 day/5 day fours who were also past CPC students now a middle schooler and high schooler. They both have always had food allergies and now present a program with stories to children. It was a sweet lesson, helping those with allergies and gives the rest of the children an understanding of keeping their friends safe. Throughout the year we had several more recent sibling alumni come read to classes.

As the year comes to a close I hope you will join me in thanking Mary Ann Bauer for her 18 years of service as she starts a new chapter of her life in Connecticut, and to Betsy Hall for her 12 years of service as she moves on to South Carolina. They will both be missed!

Library: The end of the year was also a favorite of mine where each of our current Kindergarten children had an opportunity to be a guest reader in one of the Nursery School classes Library time. Those with siblings here were paired with that class which was very special! The second year of the CJ Flintosh Children's Library was a huge success. All the classes started from September to check out Library books for the week. The Kindergarten had the "First Grade" experience of choosing books from the shelves the month of May. I am so grateful to all of you who volunteered this past year. Your help truly made the time run so smoothly. I love having this special time with each of you.

With this school year ending, I wish to thank this past year's **PTO Board**; Lauren Decker, Kathryn Mortko, Nev DiPetrillo, Casey Cohen, Lindsay Bell, Lindsay Karcich, and Jessica Mills. The Parents' Organization does so much for the school and the events are great fun for all our families. I am very appreciative of all their time and efforts, to all of you who chaired the various events, and to all of you who participate to make the events such a success.

I also would like to thank the **Advisory Board**; Ariane Pfaff, Kendall Hander, Claire DeLong, Elizabeth Somerlot, Julie Ducey, Suzanna Filip and Pastor Deborah Huggins. Their constant support assists me in every way possible. They help guide the administrative decisions that keep the school growing and sought-after, year after year.

Camp Families be on the look-out for the email with the week's plans that will be sent to you soon.

School News:

Bags to Benches: You did it! CPC has earned a bench for the school!!!! We have just exceeded the 500 pounds needed to earn a bench! We became the main collector on April 20 and have collected 505.5 pounds as of today. CPC's actual collection in this has been 186 pounds as of Friday, May 24.

We will continue to collect and help others earn their bench as they have helped us. Thank you to all who have recycled with us, to the Kindergarten class that has worked so hard on this, and to Sharon Dougherty for being the point person and has coordinating this entire project for the school. Another CPC WNS&K success story!

Farewell Greetings from this year's Parents' Organization

We have less than 2 weeks of school remaining and what a rewarding year it has been! This will be our last blurb of the school year and we would like to thank all our event chairs for their leadership, their volunteers for getting the work done in such a fine and successful fashion, and each and every one of you for your support and involvement throughout the year. YOU make it happen!

Our final event of the school year is this Saturday! The Picnic is a wonderful opportunity to come together as we end the school year. Please kindly take a minute to RSVP so we can plan accordingly, THANK YOU! Hope to see each of you at the Picnic!

YEAR-END PICNIC: Let's come together with our fellow CPC families to celebrate the end of another wonderful year and kickoff summer with fun, food, and some serious DJ action!
