### School News;

*As you can see, we're trying a new format with our monthly newsletter. You'll still see weekly reports from your child's teachers and Parents' Organizations updates directly from them. Our intent is to streamline information, but still get the content out to you! Let us know what you think!*

**Happy 2019-2020 School Year** - Thank you to the Parent Organization Board members for speaking at Orientation Meetings and helping with the first two weeks of the school car line. So far, it's been good to see that we have had more days with the driveway open than closed. However, it is not over yet. Construction will be on going and I am sure we will still have more days with the driveway closed. With everyone's patience, we will continue providing the carline service. We will direct everyone in one direction when we need to and bring your children from and to your cars efficiently and safely.

The teachers had two days of professional development for the start of school on September 5<sup>th</sup> and 6<sup>th</sup>. We had a presentation from Margot Tobias, speech pathologist on "Language Developmental Norms" and also on "Language Facilitation Techniques". We also had 6 hours of First Aide and 3 hours of CPR over the two-day period as we prepare for another year, clearly hoping never needing to use what we learned. Most of the 35 of us are pictured here at the very end of this instructive time, along

with Pastor Deborah and two staff from Sunday school. Fun to have the rare group picture!

On September 25<sup>th</sup>, we had our annual Kindergarten Back to School Night. The two classes are well underway with a great start to the school year! It was fun for the parents to come in and learn more about the curriculum and spend time with the teachers and each other. Mrs. Dougherty, Mrs. Johnson, Mrs. Ilsley, Mrs. Madhavan, and Mrs. Gaeta always go above and beyond each day with the children and the parents left clearly observing this relationship.

October is full of Fun PTO events with the Bake Sale and Hayride coming up. Be sure to let us know if you are missing the Weekly Updates that are sent from Courtney Stafford (PTO Parent Liaison). She highlights all upcoming events with links for more information. Flyers for each event are also sent home with the children. Click on the Parents' Organization link at <http://www.cpcwnsk.org>.

Opportunities to volunteer in the Library have been sent out to everyone with links to Sign-Up Genius from Suzanna Filip. If you need this sent to you again, just email us at it [wnskoffice@gmail.com](mailto:wnskoffice@gmail.com) or Suzanna [suzanna.filip@gmail.com](mailto:suzanna.filip@gmail.com) and it will be sent to you. The children have loved their "Library Time".

**Reminder for flu-vaccines-** Please don't wait! It is required for all children between the ages of 6 months and 59 months. Send in verification for our files as soon as you have it (printouts from dr. offices and clinics with date and child's name and flu-vaccine). No child can return after January 1<sup>st</sup> without our having proof of this vaccine.

Lastly, the month ends with HALLOWEEN! We celebrate with having the children wear their costumes to school. No masks or weapons! The children are to come to school at their regular time with parents invited in for class parties.
